FALL 2014 It is truly unbelievable that our 2014 Season is about to come to a close! Saturday, November 1st will be our final day of the season for Food and Beverage service. Please call Shelley, Zoe or Leigh and make your reservations to join us that weekend!

Thank you for your support of our efforts to “raise the bar” in our food and beverage program this year. With guidance from our “very talented” House Operations & Social Committee and our Board of Governors, we implemented a number of changes in an effort to elevate and improve your “Cullasaja Experience”. We have enjoyed great success with many of those changes and at the same time acquired some very valuable knowledge to assist with our 2015 planning process.

Earlier this year and just prior to the start of our 2014 season, we were very fortunate to recruit/hire three “key” individuals to lead our Golf Services program and our Food & Beverage operations. (Charles Beurmann, Head Golf Professional, Shelley Walker, Food & Beverage Director and Leigh Coggins, Dining Room Manager) These three people “hit the ground running” with very little or no returning staff and/or “institutional memory” to call on. Despite all these adversities, including relocating their families and pets, their performance has been remarkable and they are extremely excited about developing and improving their programs and services for 2015.

2014 MEMBER SATISFACTION SURVEY In early November you will receive, via email, our 2014 Member Satisfaction Survey. The survey can be completed online and will take less than 10 minutes. We encourage both household spouses to complete the Survey. The Survey is a very valuable tool that we use to gauge the performance and success of our programs and services. Thank you in advance for taking the time to provide us with your input!

HIGHLANDS CHRISTMAS PARADE – DECEMBER 6TH Don't miss this exciting event that takes place at 11:00AM in downtown Highlands! We have formed a Cullasaja Club and Community Parade Committee and have submitted our “Entry Forms” to participate in the event. If you are interested in participating in the Christmas Parade please contact Crystal Corbin or me for more details. Be there when Santa arrives in Highlands!

RIEDEL WINE GLASS AND YEAR-END WINE INVENTORY SALE As you may know, wine is best-enjoyed when it is served in a glass that is specifically designed for a particular wine variety. Participants at our Riedel Glass and Wine tasting this year experienced that difference! Riedel has been designing wine glasses that deliver the best qualities of a particular variety to the correct location on your palate and to your nose, enhancing both taste and smell. We have the ability to purchase a commercial grade (dishwasher safe) of these extraordinary glasses direct from the company. We are pleased to offer them for your enjoyment at a highly discounted price. They are an excellent gift for family, friends or business clients. Call Shelly or Leigh for more details. Don't forget the wine to enjoy with these glasses. Take advantage of our inventory reduction sale or call Shelley and place an order for your favorite wine at any time! Wine shipping is subject to State regulations.

FALL & WINTER GOLF – RATES, CART STAGING AND COURSE ACCESS As in the past, our Fall and Winter Guest & Cart fee will be \$50.00 per guest. As you know, we will begin our Golf Shop/Golf Cart Staging and Parking Lot renovation project in early November. The Golf Parking lot (lower-lot) and the main entrance to the Golf Course will be closed to Member and Guest traffic during the construction period. That said, Charles will move his office to the Conference Room located upstairs from the Golf Shop Lobby. Golf Carts will be staged in the parking lot of the Activity Center. Guest play registration will be conducted on the “Honor System” with registration details located on the Golf Cart. A box will be provided in the lobby of the Activity Center to drop off the Guest Registration papers. The Golf Course and Golf Practice facility will be accessed through the cart path located adjacent to, and running behind, the Activity Center. Please use caution on this path as it is narrow. DO NOT EXIT the Golf Course or the Golf Practice facility using this cart path as it can only accommodate ONE-WAY TRAFFIC. Please exit the Golf Course after your round by using the cart path around the 10th green and out onto Cullasaja Club Drive. Thank you for helping us keep everyone SAFE during this renovation project.

Once again, thank you for your tremendous support this season! We hosted a number of new and exciting events this year and made some very "POSITIVE" changes to some of our existing events! Please join me in thanking all of our Volunteers for the countless hours and efforts they extended to help make Cullasaja Club, the great Club that it is today!

CROQUET IN CULLASAJA

Incredible First Season: Thanks to all of the GREAT Cullasaja members for coming out on a regular basis and supporting all of our CCA events this year. It seems like everyone just got here and that we now are already rapidly approaching the end of this year's regular season. This has been an incredible year for the growth of our Croquet program here at Cullasaja. We now have 146 members in the CCA. I think all of you will agree that there were some nice perks attached to being a member of the CCA this year. We offered two days of complimentary world-class instruction and had 78 members take advantage of such clinics at no charge. We also offered a one-day Rules Seminar, which was also well received, by 70 of our CCA members. Also included in your CCA membership was the food for the inter-club matches and also at our weekly Mallets & Martinis. We are also pleased to report that all CCA members will be invited to our annual Croquet Finale dinner at no cost except for your open bar bill.

This year during the months of June, July and August we had 1,365 times that members participated in croquet in one way or another.

Just for your information; plans are being worked together with Tom Nelson on to "make the court as level as possible" during the off-season. Something that will make our experience next year even more enjoyable!!!!

CMCA ANNUAL CROQUET TOURNAMENT: I would like to take this opportunity to say thank you to the 8 Cullasaja members who volunteered to participate in this year's annual tournament. The Chattooga Club in Cashiers hosted this year's event and we had all 10 clubs on the Plateau represented in the annual tournament. Our team ended even stronger than last year's team in spite of the fact that all of the other teams also fielded stronger teams. It was a fun-filled but also competitive round robin event. After all of the final matches and after a recount of the scores the day after the event, it showed that our team finished in 6th place out of a total of 10. The first day it was announced that we finished 5th but after the recount it was announced that we finished 6th.

A Special Thanks to everyone for playing that day. I was very proud of all of you. We are all looking forward to going back next year and finishing even higher in the standings that time.

Custom Mallet Fitting: Another service that is available to our CCA members is custom mallet fitting. We have 3 demo mallets, so you can pick and choose the one that you like best and I will tell you what height and length I would recommend for you. I will place the order for you and assemble the mallet when it comes in, so all you have to do is just place the order and pick up your mallet when it arrives. Generally I can have the mallets in your hands within 3 to 4 weeks at the latest. When you order through our pro shop you always get a better price than if you order it yourself off of the Internet. Most of the time we are able

to get you the mallets at a price less than the Internet pricing, even after the shipping and handling costs are included.

Croquet Finale Party: Please make plans now to join us for a fun-filled evening of croquet followed by dinner at the clubhouse. All CCA members are asked to join for croquet and also dinner that evening. It's been an incredible season so as we get close to the end of our 2014 season we think you would like to help us celebrate an incredibly successful first season for our croquet program here at Cullasaja. All weekly croquet events will remain in place until late in October. The Lawn should remain available for play until at least Thanksgiving. We had some of the members that played most of the winter months or when they came into town for a few days.

**THURSDAY OCTOBER 9TH "CROQUET FINALE"
CROQUET AT 3:00 OR 5:00 FOLLOWED
BY DINNER AT THE MAIN CLUBHOUSE AT 7:00PM**

WEST PALM BEACH CROQUET SCHOOL: Next spring we are trying to figure out the best time for us to take a group down to sunny South Florida for our annual trip to the National Croquet Center. Dates currently under consideration are March 12th & 13th for a two day Golf Croquet School or perhaps April 13,14 15 or April 15,16,17, so if you think you might be interested just let me know. I will set a date after I determine how many folks want to go this coming spring. If we go in March it will only be a two-day School and the group size is limited to a maximum of 16 participants. During the month of April I can take a group as large as we need up to 56 participants. The School is a great way to refine your skills and I group players according to their ability. We have several members who went last year who want to go back again this year but we also have some who have never been before. So whether you are a novice or an advanced player there are always different strokes and strategies you can still learn. Please contact me at tfugate@cullasaja-club.com if you think you might be interested in attending ASAP.

During the weekly Mallets & Martinis on October 2, Cris Hayes did something very, very special; something that is rather unique in the game. She made 2 wickets with one shot. She rolled the ball all the way over the full length of the court.

In golf it would be certainly comparable to a hole in one, or even a double eagle. Congratulations Cris Hayes.

As you can see from the picture she and her fellow players certainly enjoyed and appreciated it

We have had many champions this year in many events and would like to take a moment to acknowledge those that have won this past month!

WGA RED VS. BLUE

2014 Champions BLUE Team {GO BLUE!}

I am so proud to be a part of the Cullasaja family, thank you for a great season!

Our 2014 season is almost over. We are very sad to say goodbye but have made many wonderful memories over the last six months! We hope that the seasons ahead are just as amazing!

The month of September has been a very successful. Our Mixed Member-Guest was a huge hit with a sold out crowd of 96 participants. I would like to take a moment and thank our tremendous committee. Special thanks to Bettie & JD Ingram, Linda & Hines Brannan, Beth & Jeff Elzemeyer and Sammy Smith. The tournament would not have been a success without them! I would also like to thank Jody & Wood Lovell and Highlands Sotheby's for their tournament support.

We are very excited about the plans to create a more attractive and inviting golf shop. The renovations will truly enhance the overall golf experience to all our members and guests. During construction this offseason our golf staff will still be available for all of your wants and needs.

With the implementation of our Mill River retail program we have seen a huge improvement in our golf shop customer base. Please feel free to continue to utilize this amazing program while you are away this winter. We will be happy to order and drop ship anything you wish this offseason. The holidays are right around the corner and I would hate the idea of anyone paying outrageous retail prices!!

Our first ever Saturday Night Shoot-Out was a huge success. We had 15 teams participate and the competition was very tight. Unfortunately darkness forced us into only playing seven of the nine holes. Hugh Dillingham partner Frank Ellerbe finished third place, Tom Wade partner Bob Morgan and Gil Glover partner Jim Bryson tied for first place. Congratulations to all who played. Come out and participate in our Saturday Night Shoot-Out's every month on our 2015 schedule!

How often do our Members think of returning to the mountains in the winter? Everyone has thought about popping up for a holiday or just a long weekend, but simply didn't know what is available. Although some of our favorite options are weather dependent, most things in town are open and there are activities to do in the mountains during the winter months.

Your Activity Center Staff are available year round to help you with massage, training, and other services normally provided at the Activity Center. If planning a family vacation to bring the grandkids up to see snow, consider booking a few massages, or scheduling an exercise class, or a hike. The spin class runs every Monday, Wednesday, and Friday through the winter so all are welcome to just pop in and join the few who reside here year round.

In the past, we have arranged hike's for Member's who had brought groups up. With proper notification and planning, the winter weather can sometimes be quite mild, which really lends itself well to a walk in the woods. Views can be much more expansive when the leaves are off the trees. When we do experience snow fall, the HOA Team does a great job removing it, making the roads quite accessible very soon after the snow falls. Nothing is more

beautiful than seeing Cullasaja Club covered in a blanket of snow.

If planning a visit during the winter months, please let us know ahead of time so we can accommodate any needs that you may have. Call or e-mail the Activity Center and let us arrange something to make your trip more interesting. We would love to see you.

CULLASAJA's Congratulations to our "Hole in One" celebrities!

RESERVATION POLICY

Reservations are required for all Club social events. Reservations for à la carte dining are always recommended. If space is available and you do not have a reservation, we will make every effort to accommodate you on a first come, first served basis.

SHIPPING

Do you know the Club office will handle your UPS and Federal Express shipping needs? Just bring your package to the front desk and we'll take care of it from here. You pay shipping plus a \$5 handling charge.

MAIL SERVICE

When you arrive at the Club for the summer, please be sure to change your address with the front office. We will change your address in our records so you will receive your billing and Club correspondence without delay. It is very important for you to complete the forwarding and stop orders when you move back and forth. If your mail is left in your box for more than 10 days without being picked up, the Post Office is required to hold it for 30 days and then they will return it to the sender.

CANCELLATION POLICY

If you have a reservation for dinner or any event and find you will be unable to attend, please call the Club to cancel in a timely fashion so another Member may take your place. To avoid cancellation fees, all reservations must be cancelled as stated in the 2014 Club Rules published in the 2014 Membership Directory.

HOLE-IN-ONE CLUB

Sign up now for your chance to win \$550.00! Membership is only \$3.75 per person. When we have a winner you will be billed an additional \$3.75 to replenish the fund. Sign up through the Pro Shop or Club Office.

E-MAIL RESERVATIONS

You may e-mail any reservation requests to Shelley Walker at swalker@cullasaja-club.com. Be sure to include your name, date, time, number in party and any special requests (high chairs, boosters, Birthdays, Anniversaries, special guests, etc.). E-mail reservations should be submitted no less than 48 hours in advance of an event. Shelley will confirm your reservation via e-mail.

BRIDGE

Bridge play will officially commence in June. Please watch each Cullasaja Currents edition for information from each of the Bridge committees.

DRESS CODE

Please observe the dress code for the Clubhouse, Activity Center, Golf Course, Tennis Center and Swimming Pool listed in the 2014 Club Rules, published in the 2014 Membership Directory.

GENTLEMEN'S HEADGEAR

Gentlemen are required to remove their headgear when entering the social areas of the Clubhouse.

SMOKING POLICY

The Clubhouse, Activity Center and all adjacent patios and decks are smoke-free environments. Smoking is allowed only in designated areas outside of the buildings.

CELL PHONE POLICY

Use of cell phones/audio media is prohibited in the Clubhouse, Activity Center and on the Golf Course, except for medical emergencies.

MINORS AND CARTS

Any minor who operates any golf cart on Club property must have a valid driver's license. Due to serious liability ramifications, the Club staff has been asked to strictly enforce this policy. Thank you very much for your attention to this matter.

INSURANCE CERTIFICATES

FOR GOLF CARTS

Please remember to submit proof of insurance for any golf cart you plan to use on Club property.

DRESS CODE REMINDER

Jackets are preferred for gentlemen on Saturday evenings in the Main Dining Room and the Enclosed Terrace. Although preferred, jackets are not required for gentlemen on Saturday evenings in the Pavilion, the Bar/Lounge and our new Overlook Room. "Country Club casual attire" will be considered acceptable attire throughout the entire clubhouse every evening unless otherwise noted in the promotional materials for special functions.

Wow what a great season! Thanks to all of our great Cullasaja Members for coming out and supporting our tennis program again this year. As of this writing we have had almost 500 hours more play than through this same time last year. This year we will finish the 6 month season with over 4,000 hours of play. We have been able to accomplish this even with some of our regulars that are out nursing injuries this season. It is great to see some of the young vertical Members and their children coming out to play. This year we also had more juniors for our junior clinics than we have had in several years. The golf/tennis junior clinics were very popular so that will probably continue again next year.

NEW TENNIS CHAMPIONS CROWNED: We would like to thank everyone for supporting our Tennis Championship this year. We would like to take this opportunity to congratulate all of our Champions for their hard fought victories this year.

LADIES DOUBLES CHAMPIONS: Margi Eichman & Laura Schroeders

MEN'S DOUBLES CHAMPIONS: Rick Eichman & Larry Ainsworth

MIXED DOUBLES CHAMPIONS: Larry Ainsworth & Margi Eichman

Make plans now to join us for our last major event of the 2014 tennis season, the Tennis Finale & Luncheon. The tennis courts will remain open through the month of November weather permitting. Obviously we have many more weeks of great tennis to be played but we have to find a time earlier in the month of October to have our Tennis Finale mixer.

TENNIS FINALE & LUNCHEON
SATURDAY OCTOBER 11TH 10:00AM

Immediately following the tennis round robin, we will all go up to the Clubhouse for a delicious luncheon prepared by Chef Marie. All tennis players as well as non-playing spouses are invited to come to the luncheon that day.

What a great 2014 season for the ladies of the WGA! Tuesday play days, tournaments, Interclub games and a super fun Member/Guest made for a full season of golf. A huge thank you goes to the 18 WGA board members for all their efforts in the details!

The WGA finished up the 2014 season as it began with a scramble and festive luncheon organized by Tracy Shawhan and Debbie Fulton. They definitely outdid themselves! Kudos!

Awards were given for all the major events and tournaments that were held during the season. The teams of Peggy Turner and Marianne Lassiter (18 Holes) and Tracy Shawhan and Debbie Fulton (9Holes) won the Member/Member. The Laurel Cup was won by Bertie Fransen, and Shelia Broughton, 18 and 9 Hole divisions respectively. The President's Cup was awarded to Diane Warren (18 Holer) and Sammy Smith (9 Holer).

Diane Warren was crowned our Club Champion. Cullasaja Cup Flight Winners were Bobbie Carey (18) and Dorothy Lyles (9). The Blue Team won this year's Red and Blue tournament so next year the Red team will be making the hors oeuvres for the cocktail party!

The Special Awards are always a luncheon highlight. This year, in the 18 Hole division, Betsy Butler won the Most Improved golfer and Nelly Rice, the Ringer Award. The 9 Hole division winner of the Most Improved was Tracy Shahwan and the Ringer, Sammy Smith.

All in all we couldn't have asked for better weather, a more beautiful golf course (thanks Tom Nelson) and more congenial golfing partners. And we would be remiss if we didn't give a great big hand to Charles Beurmann and his staff!

Mountain memories were definitely made!

HISTORY OF WINE IN AMERICA: PART ONE

In the early 9th century, the Viking Leiv Eriksson landed at L'Anse aux Meadows in Newfoundland, Canada. He was the first European to definitively set foot upon the North American continent and christened his discovery "Vinland." This name could be a possible reference to the meadows before him, or as a tribute to the wealth of native grapevines. Several species of wild grapevine awaited the first colonists of North America, including *Vitis labrusca* (the Concord and Catawba grapes), *Vitis rotundifolia* (the Scuppernong grape), and *Vitis aestivalis* (the Norton grape). *Vitis vinifera*, the source of fine wine grapes were not found. Following Columbus' journey in 1492 and the subsequent rush to explore and colonize the New World, European colonists attempted to produce wines from the native grapes. Most were generally repelled by the native grapes' inherently foxy odors and turned to imported vines.

The earliest record of *vinifera* vine plantings on the East Coast was a result of an interesting Virginia law passed in 1619. The law required every male colonist at Jamestown to plant and tend a minimum of ten vines. Unfortunately, this experiment ended in failure as the European vines succumbed to new vine diseases and the phylloxera pest. This caused the interest in winemaking in the British Colonies of America to dwindle and cider, beer and whiskey became the alcoholic beverages of choice in the 18th century.

Thomas Jefferson, a gourmand devoted to the best wines of Bordeaux, showed relentless enthusiasm for the vine. Jefferson viewed wine as a mark of genteel society, and "the only antidote to the bane of whiskey." He planted *vinifera* at his Virginia estate, so that the young country might produce its own fine wine, asserting its self-sufficiency in the process. Unfortunately, his efforts (along with those of George Washington) were met with continual failure, and more than thirty years of vineyard cultivation ended without a single bottle of wine. The Founding Fathers had to settle for the best of Europe, as the wines of France graced state tables, echoing Benjamin Franklin's remark: Wine is "proof that god loves us."

The Mission grape was introduced to Mexico in the early 1500s by Spanish settlers and made its way to Rio Grande settlements in present-day Texas and New Mexico as early as 1629. Franciscan monks then brought the Mission grape to what would become the state of California. They helped establish vineyards at each of their historic missions along the West Coast and in 1783, Franciscans at the San Juan Capistrano Mission produced California's first wine from the

grape. In 1823, the Franciscans built the San Francisco de Solano Mission, the last of the missions and the northern terminus of the Spanish Empire in North America. This site is now occupied by Sonoma's town square. By 1839, George Yount had arrived in Napa as the first American settler to set foot in the valley, and had planted its first vineyard.

The annexation of California from Mexico in 1847 brought a wave of prospectors, American soldiers, and pioneers to San Francisco Bay, and wine production increased correspondingly. The influx of settlers brought the Hungarian-born, self-styled "Count" Agoston Haraszthy to Sonoma in 1849, where he founded Buena Vista, one of California's oldest commercial wineries. Haraszthy introduced more than 300 varieties to the state, collected as vine cuttings during his European travels. He has been dubbed the "father of California wine."

After working for Haraszthy, Charles Krug moved in 1861 to St. Helena in Napa Valley and founded his eponymous winery which is the oldest in the valley. Jacob Schram built Schramsberg in 1862. Beringer, Napa's oldest continuously operating winery, was established in 1876, and the Finnish immigrant Gustav Niebaum founded the legendary Inglenook Winery in 1879. By the last decade of the 19th century, Napa Valley had nearly 20,000 acres under vine and Sonoma Valley had over 22,000. (Sourced From The Guild of Sommeliers, 2014)

END OF THE SEASON WINE SALE 2014

It is time to take home your favorite wines from the season! We will be selling many of our wines at only 20% above cost. Wine prices do not include the North Carolina state tax. A list with all available wines and pricing will be sent out on October 9th.

**THE SALE OFFICIALLY BEGINS FRIDAY,
OCTOBER 10TH.**

**PLEASE NOTE THAT ALL WINES HAVE LIMITED
